**APRIL 30 TO MAY 28 2012**

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Total	Average per student
WEEK 1	30	1	2	3	4	5	6		
WEEK 2	7	8	9	10	11	12	13		
WEEK 3	14	15	16	17	18	19	20		
WEEK 4	21	22	23	24	25	26	27		
	28								

Ideally, each week on Monday morning throughout the month of May, the class contact should add up the energy cubes that the classroom's students recorded in their respective participation logbooks over the previous week. You should submit your classroom's results to your school's Grand défi leader at least once a week so that he or she can enter them on the Get Up and Move on the Planète Cube website.
